SUMMARY

Computer Science undergraduate skilled in DSA, Full-Stack Development, and Machine Learning with a passion for building impactful software solutions.

EDUCATION

B.Tech in Computer Science (CGPA: 8.02/10) <i>Vignan Foundation For Science Technology and Research, Guntur</i>	2024 – 2028 (Expected)
Intermediate (MPC) – 81.8% <i>MS Memorial Public School, Bihar</i>	2022 – 2024
SSC – 92.6% <i>MS Memorial Public School, Bihar</i>	2021 – 2022

KEY SKILLS

- **Languages:** Java, Python, C
- **Machine Learning:** NumPy, Pandas, Scikit-learn, Data Analysis
- **Frontend:** HTML, CSS, JavaScript, React
- **Backend:** Node.js, Flask
- **Database:** SQL, MongoDB, SQLite
- **Core:** Data Structures & Algorithms, OOP
- **Tools:** Git, GitHub, VS Code

PROJECTS

Women Safety System (Full Stack) <i>Node.js, MongoDB, Socket.IO, Twilio</i>	2026
• Built a real-time SOS system with live location SMS alerts and video uploads. • Implemented Twilio, Cloudinary, and Socket.IO for emergency notifications.	
Smart Billing & Invoice System <i>Java, Swing, MySQL</i>	2026
• Developed a billing system with GST calculation, invoice generation, and payment validation.	
AI Placement Preparation Assistant <i>Python, Flask, Gemini API, SQLite</i>	2026
• Developed an AI-powered platform for resume analysis, ATS scoring, and company recommendations. • Integrated mock interviews and personalized DSA roadmaps using Gemini API.	

ACHIEVEMENTS

- 1st Place in Ideathon — 3rd Place in Technical Quiz
- Solved 81+ problems on LeetCode with a contest rating of 1431 (Top 70.28%)
- Participated in Multiple Hackathons

CERTIFICATIONS

- Operating Systems – Cisco
- JavaScript – Cisco
- Data Structures & Algorithms – Apna College
- Full Stack Web Development – Apna College

POSITIONS OF RESPONSIBILITY

Member, ALMA Club <i>VFSTR, Guntur</i>	2026 – Present
Volunteer, Mathematics Club <i>VFSTR, Guntur</i>	2024
